

GLASS MIRROR

GLASS AND MIRROR CLEANER

DESCRIPTION :

These cleaning wipes are aimed to clean glasses, screens and any smooth surfaces. Multi-stains, they clean and prevent dust, from laying again on glass surfaces. Each towel is moisturized with a special formulation, which cleans without leaving any stain, and neutralizes the static electricity.

This avoids important data to be lost from computers' hard disks. Moreover, without static electricity, less dust appears on surfaces, thus keeping the furniture cleaner and longer. Furthermore, the cleaning wipes eliminate allergen germs frequently found on equipment, which are manipulated with hands. The wipes help to limit diseases' development.

WHERE TO USE :

Ideal on windows, the cleaning wipes can also be used on the many surfaces such as :
